November 3, 2015

Congratulations once again on being selected as an ILMEA District I Musician. Your preparation, dedication, and talent have led you to this point. Now, be certain to continue in your excellent preparation so that your experience during the day is maximized to the fullest possible extent.

This packet contains information pertinent to the festival experience. While we are providing transportation to the event, ***it is imperative that you plan in advance regarding your transportation home from the event.*** D99 will provide transportation home if needed, but space will be limited. Please plan in advance and let your director know your home bound travel plans.

Have a fabulous time – I anticipate experiencing the rehearsals and the performance on the date of the Festival. Thanks in advance for setting such a high public perception of the music program here at DGS – you make us all proud in all that you do!

Musically yours and on behalf of the entire music team,

Glenn Williams
Fine Arts Department Chairman
Downers Grove South High School
