

OH MY GAZANIAS! IT'S THE DSG BAND BOOSTER PLANT SALE!

Hello Mustang Families! It's time for the biggest and best fundraiser of the year, THE PLANT SALE! If you are new to the Downers Grove South Band Booster fundraisers, we have a real treat for you! You have the opportunity to buy some spectacular planting flowers and hanging baskets at reasonable prices, plus raise money for the DGS Music Program while your student earns money in their student account! (Incoming Freshmen are eligible, too!) This money can be used for any music related expenses (supplies, fees, lessons, trips, etc.) Last year we raised thousands of dollars! Bring on the sunshine, and bring on the Plant Sale! Go Mustangs!

Students: Earn some money in your student account (~ 17%) by selling plants! All students in the DGS music program are eligible. (Band, Choir, and Orchestra) Everyone loves fresh spring flowers, so they're easy to sell. We offer excellent quality flowers and tomatoes from Nash Greenhouse in Kalamazoo, MI. The plants are gorgeous, the prices are competitive, and delivery is just in time for Mother's Day!

Even if you don't know the difference between a coleus and a cosmos...you can sell plants!
