Greenhouse General Information and Color Selection:

Plants are provided by Nash Greenhouse in Kalamazoo, Michigan. The Band Boosters have always been extremely pleased with the high quality of the plants and the care that is taken with their delivery. The hanging baskets are absolutely gorgeous -- they are delivered in full bloom, and make excellent Mother's Day presents!

Please specify any color preferences where available. The vendor will accommodate requests when available. If, at shipping time, the greenhouse determines that a specific variety does not meet their quality standards, they will notify us and we will contact you for an alternate choice. Be sure to provide an e-mail address and best phone number in your customer info. We'll use it ONLY to contact you for order confirmation and Plant Sale pickup reminders.
