

2025 Downers Grove South Band Plant Sale

Ageratum - Monarch Magic This plant is also known as Floss Flower. It is a low maintenance plant that is a butterfly magnet and fills in garden beds and containers beautifully because of its ability to spread. ***New plant to the DGS Plant Sale!***

Spacing: 8 - 12" (20 - 30cm)

Height: 6 - 12" (15 - 30cm)

Width: 8 - 16" (20 - 41cm)

Sun: Full Sun - Partial Sun, Full Sun

Asclepias - Silky (Deep Red, Gold) This plant is also known as annual milkweed or tropical milkweed. Milkweed is one of the few plants that butterflies will lay their eggs on. With Monarchs being added to the endangered species list this is a wonderful choice to help save the butterfly population! This plant does well in warm, dry, full sun locations, but can still thrive in part sun. You will see caterpillars and butterflies if you plant this one! ***New plant to the DGS Plant Sale!***

Height: 24 - 28" (61 - 71cm)

Width 18-24"

Sun: Full Sun or Part Shade

2025 Downers Grove South Band Plant Sale
