

DGS BAND / FOOTBALL GAMES

The band participates in the pre-game activities and escorts the football team onto the field along with the Fillies & the Cheerleaders. This usually includes the school song. The game is scheduled to start at 7:30. Pre-game starts around 7:15 or so for most games.

The band will sit all together as a group for the first 2 quarters of the game. There is an area specifically reserved for the band, at the north end of the home stand next to the student section. During the game, the band plays pep band music.

Many of the band parents will sit together in the area right next to the band. Parents sit close enough to enjoy the music and far enough to give the students their space. Please come join us.

The half time show includes performances by the Fillies dance team. The DGS Marching Mustangs will perform the competition show that they have been working on at all of the practices. Timing for half time varies based on the game. Some of the parents who have volunteered to help with the pit will be on the field moving the instruments into place. Make sure to watch and see if you would like to help with that in the future. We will be looking for volunteers for other games and competitions.

The band students will be refreshed with water bottles after their performance and return to the stands for the remainder of the game.

The students will return to the stands to play stand tunes and support their team. The games end around 9:45 and then the students return to the band room and put away their uniforms and instruments.
